

SUMMER READING IDEAS 2023

SUGGESTED BOOKS for RISING 2nd GRADERS to ENJOY

The following list of books is a great place to start reading this summer! You might decide to read lots of different types of books, or you may really enjoy reading a series of books. Some of the books listed are even “nonfiction”, meaning they are about real people or events. Try to read a little everyday and you will be amazed at how many books you read during the summer! Then, when school starts back up, you will have so many fun things to tell your friends about. *(Remember, this is a suggested list and you are not required to read all of these books! :)*

It is very important to choose books that you will enjoy reading and it is great to have someone help you read!
