Weekly COVID-19 Update

A FOUNDATION FOR SUCCESS

Knoxville Christian School is a college preparatory and career readiness school. Its academic requirements are designed for students to realize their potential and enable students to be successful in both higher educational pursuits and in career aspirations.

Our History & Mission

Founded in 1967, Knoxville Christian School is an independent, private school dedicated to providing each student with the highest quality academic, spiritual, social, and physical education in an encouraging Christian environment.

Christian based education begins at the Pre-Kindergarten level here, and we encourage the social and academic growth of our students while showcasing their knowledge, skills, and talents for our Lord and Savior.

Love the Lord your God with all your heart and with all your soul and with all your mind and with all your strength." - Mark 12:30

With Jesus' command in Mark 12:30 as our guiding principle and the cornerstone of our educational programs, we partner with parents to prepare our students for life outside of our halls and to be strong leaders in our community.
